

The Jade Frog

A Chilcotin Saga

A long-kept secret bubbles up and starts changing lives, then a sudden mysterious death triggers even deeper upheavals. Was it an accident, suicide, or murder?

The question ripples outward, casting a shadow over the region, leaving no one above suspicion. The divinations of an artist-shaman, the studies of an English teacher, and the machinations of a law student desperate for answers may combine to find the truth in this tale of betrayal and loss that spans decades.

BRUCE FRASER

Author Bruce Fraser, now in his eighties, won silver in the 2010 eLit Book Awards and has won awards for his short stories. The Founding President of Access Pro Bono, Fraser practiced as a trial lawyer in the Interior of British Columbia and Vancouver through his 45-year career, representing First Nations peoples in Aboriginal Rights cases, as well as civil and criminal proceedings. He currently maintains a residence at Lac La Hache.

The Jade Frog was Fraser's first novel exploring the mysteries of the vast canvas of the rugged Chilcotin region. This revised and republished edition expands storylines and features a cover by Indigenous artist Glen Rabena.

The recent damage to the region from wildfires spurred the donation of 10% of profits and author royalties from the book to wildfire recovery and preparedness programs.
